

## **Briana Adamovsky: Women's Open Volleyball Israel 2005**

The Maccabi Games was one of the greatest experiences I have ever had. The moment we stepped off the plane in Israel to the moment I said bye to all the lifelong friends I had made, I fell in love with Israel and being Jewish all over again. It's amazing to be able to compete in such a powerful and popular event and meet other Jewish athletes from all over the world. I hope to be able to share another Maccabi Game experience in 2009!
